### Two Ministries Helping the Homeless

The T-Shirt Bag Ministry and the Mo'ili'ili Outreach Service Center are two new ministries at St. Mary of Mo'ili'ili that were established and implemented in March to have a personal connection (relationship) with those who are homeless in the community we serve and love.

and coordinated with the church's Sandwich Ministry is done on a quarterly basis. June 21 should be the next time bags with needy items are passed out to the homeless.

The other new ministry, **Mo'ili'ili Outreach Service Center**, is a monthly ministry coordinated by IHS (The Institute for Human Services).

Under IHS project management, a cadre of human service providers will be on hand the last Thursday of every month at 10am to provide targeted support and services to our neighbors in order to end the cycle of homelessness.

The first session held March 26, saw 35 people, of which 32 took food bags.

The success of the March 26 operation was because of the dedicated volunteers that arrived to help set-up and bag food. Volunteers came from St. Mary Congregation our sister churches, St. Luke's and Good Samaritan.

Providers this first time, were from the Institute for Human Services, Safe Haven, Action with Aloha, St. Mary of Mo'ili'ili, and Department of Veteran Affairs.

Through a collaborate effort of three churches - Good Samaritan, St. Luke's and St. Mary of Mo'ili'ili - 40 t-shirt bags were able to be filled completely with: Energy Bars, Trail Mix, Vienna Sausage, Band-Aid Kits, Pre-moistened Wipes, Hand Sanitizers, Pocket Kleenex, Body Wash, Mouthwash, Lotion, Toothpaste, Cookies, Shampoo, and Combs.

Three months from now we do it again! Travel size donations of the above should be delivered any time between now and then to the church office, attention Father David Blanchett .

A new Korean speaking church is meeting in the Soldier Chapel at 11 am every Sunday.

Hawaii Vision Presbyterian Church is pastured by the Rev. Hyung Joon Jeong. The photo at right was taken when the pastor, his family and deacons introduced themselves to St. Mary on March 1st. The new rug in the chapel was purchased and installed by this new fellowship.

Should you like to attend their service, for non-Korean speakers, English interpretation is available through headphones.

# Evensong

**March  
25**

Those who were present March 25th, they heard and saw a beautiful Evensong featuring the **Hawaii Sacred Choir**.

The service was titled, The Annunciation. It was a contemporary celebration that included art, music, church tradition and film.

The service was video recorded and DVD may be available.

The evensong service was so inspiring, you don't want to miss the next one whenever it comes.

**Hail Mary full of Grace
