## Laundry Ministry

On random days, during random hours on random weeks of random months, St. Mary of Mo'ili'ili visits local Laundromats in the neighborhood to give out a free roll of quarters and soap such as pictured to surprised Laundromat patrons.

This past Easter, 20 bags were handed out over a two day period with a simple saying of: "Happy Easter!". Our hope is that the working poor, might know that we the church in their neighborhood, truly care. If you wish to support this ministry, please contact Fr. Gegory

## Preschool Chapel

**Father Gregory leads chapel in April for the 3 year olds who attend Angels at Play Preschool.**

**Those who were present were blessed to hear singing by the three classes: Teddy Bears, Sun Bears and Panda Bears**

## Why Soldier Chapel?

As the picture of the bell tower shows, the “Old Chapel,” which turns 100 in 2017, is in a state of disrepair and needs to be restored.

You may be surprised to learn that a retired Brigadier General, who cut his teeth as a young Lieutenant during the Civil War, paid the entire cost to have it built. [When adjusted for inflation and the increased costs of construction, the \$27,000 Gen. Edward Davis paid would equal \$498,000 today.]

The Chapel was completed on the 27<sup>th</sup> of May; and the first Eucharist was celebrated on the 15<sup>th</sup> of July.

Ten years later, a young lad, who would grow up to earn the nation’s highest military honor, would also worship here while attending St. Mary’s School.

His name was Daniel Inouye.

I am confident that General Davis and Senator Inouye would applaud the chapel’s restoration, and its designation as “Soldier Chapel,” as a way of honoring the sacrifices of soldiers like themselves who have risked their lives to defend our right to life, liberty, and the pursuit of happiness.

Jesus would too, for as our Lord himself said, “Greater love hath no man than to lay down his life for his friends.”

Semper fidelis!

# THE GOOD, THE BAD, & THE UGLY

Read the BIBLE through in 90 Days with Fr. Gregory+

The BIBLE has been a source of inspiration, hope, charity, salvation, social change, justice, and liberty.

It has also been a source of fear, bloodshed, ignorance, injustice, sexism, racism, despair, and bigotry.

This class will help you sort it all out, and give you more confidence as a student of biblical literature, culture, and history.

St Mary of Mo'ili'ili in partnership with IHS is providing the means whereby those who are homeless might receive services that would be of benefit to them.

Free Service are provided the last Thursday of each month. To make it possible to achieve success, Volunteers show up an hour before the homeless to setup, bag groceries and prepare food to be served -9-10am.

Some volunteers stay while the homeless are present to serve them meals, and signup and hand out food bags.

We are so grateful to the volunteers. They are

the foundation to the program's success, enabling the professional providers to successfully concentrate on implementing their services and assisting their clients.

New to the list of providers helping the homeless this April were representatives of the John A. Burns School of Medicine (Three Doctors and three students), and Hawaii Institute of Hair Design (four hair stylist).

The medical school brought a large mobile treatment vehicle to treat all homeless free, and Hair Design brought their scissors, clippers, sprays

and combs.

Thank you to all the providers - those pictured and not pictured. You are doing a tremendous job.

Next opportunity for church volunteering: May 28th, 9am.
