# Albert Nishikawa

Photo by NHK News Japan

Our very own Albert Nishikawa was featured on a Japan news program NHK News Japan. In it, Albert remembers his father who was wrongly forced to live in an internment camp here on Oahu, Hawaii. His father had worked for a newspaper of Japanese print and was without warning placed behind a barbed wire camp named Honouliuli.

"The Honouliuli Internment and POW Camp in Kunia on O'ahu was the largest internment camp in Hawaii. Opened in 1943 during the height of World War II, Honouliuli held approximately 300 internees from Hawaii of Japanese" descent.

Albert as a long time member of St. Mary came here via Holy Trinity Church after it was closed on School Street. At St. Mary, Albert served on

the Vestry as a junior warden. Because of his love of planting, he worked ground maintenance and beautification. The front cover of this newsletter and the photo right shows him by plants he planted and nurtured.

# Korean Congregation Got Cool

For the Hawaii Vision Presbyterian Church, things just got a little cooler.

The church, which meets in Soldier Chapel on the grounds of St. Mary of Mo'ili'ili, purchased and installed a 35,000 BTU Mitsubishi Electric Air Condition unit to the tune of \$8,500 including electrical work.

Hawaii Vision is shepherd by the Reverend Hyung J. Jeong and this is not the first time that his congregation has blessed Soldier Chapel and therefore St. Mary of Mo'ili'ili. Soon after his arrival to the chapel, Reverend Jeong said "the church spent \$7,000 on new carpet and light fixtures".

**Pastor Jeong thanking the air condition installer**

Hawaii Vision's first service at Soldier Chapel was March of 2015. Presently they have 50 communicants. Every Sunday at 11 am, the spirit truly flows among the members as anyone could attest to after hearing the spirit filled singing.

Church members are friendly and welcoming. The service is in Korean, but translation is provided through headphones.

Pastor Jeong is not shy about fellowshiping with sister churches such as St. Mary of Mo'ili'ili. He believes (knows) we are all one in God's sight - his children.

We thank God for Rev. Jeong, Hawaii Vision Members and the love they bring to the table.

Pastor Jeong said "We are happy here!". We are happy here too! Love you Hawaii Vision!
