Hawaii sponsored a new event called; Faith-Based Summit on Homelessness. The purpose was to provide faith leaders with information about how to properly help homeless persons access services and housing.

The event proved to be humbling but exciting for St. Mary of Mo'ili'ili Episcopal Church as they were the soul recipient of a special recognition award.

The Fr. Claude Du Teil Peanut Butter Ministry Award presented to St. Mary stating: "In recognition of this congregation that has demonstrated ability to transform its ministry to meet the evolving needs of the people who are homeless in our community".

Pictured above are some of the St. Mary's members who faithfully serve in various homeless outreach ministries. Along with the missing St. Mary members not pictured, there are also faithful communicants of St. Luke Episcopal Church and Good Samaritan Episcopal Church who's active presences and support, working side by side, has enabled the homeless to be blessed and St. Mary to receive this award. The tri-church ministry we have is extraordinary. Thank you so much!

He Mele Aloha

Making music is such a joy, both to the musician and to the listener! With St. Mary's new groundbreaking music instruction program, He Mele Aloha (love of music), we are pleased to offer everyone in the community the chance to learn to sing, or to play the piano, free of charge! We have had great response, with seven people starting lessons so far. These students have been VERY appreciative of St. Mary's generosity in offering this special program!

The lessons are taught in a fun way, mixing instruction in proper technique with humor and the simple joy of music. Our teacher, Fr. Dan Werning, has many years of experience as a teacher and performer of music, utilizing his enthusiasm for music to effectively teach young and old alike.

There are still slots for five more students. Fun for children or adults alike! And musical skills are for life. Don't miss this rare opportunity! Call Fr. Dan at 388-3121 today to set up your lessons.
