**Blowin' In The Wind**

from [www.traditionalmusic.co.uk](http://www.traditionalmusic.co.uk)

How many roads must a man walk down  
Before they call him a man  
How many seas must a white dove sail  
Before she sleeps in the sand  
How many times must the cannonballs fly  
Before they are forever banned  
The answer, my friends, is blowing in the wind  
The answer is blowing in the wind

How many years can a mountain exist  
Before it's washed to the sea  
How many years must some people exist  
Before they're allowed to be free  
How many times can a man turn his head  
And pretend that he just doesn't see  
(The answer)  
The answer, my friends, is blowing in the wind  
The answer is blowing in the wind

How many times can man a look up  
Before he sees the sky  
How many ears must one person have  
Before he can hear people cry  
And how many deaths will it take till he knows  
That too many people have died  
The answer, my friends, is blowing in the wind  
The answer is blowing in the wind

Oh, the answer, my friends, is blowing in the wind  
The answer is blowing in the wind

## 2 Chronicles 5.11-14

When the priests came out of the temple King Solomon built, the singers and musicians celebrated with them playing cymbals, harps, lyres, and trumpets, until the glory of the Lord filled the House of GOD. Everyone gave thanks, and sang, “The LORD is good, and his steadfast love endures forever!”

**Psalm 100:** In Unison

Make a joyful noise all ye people. Come into GOD's presence with song. Enter his gates with thanksgiving, and his courts with praise. For the LORD is good, and his faithfulness endures to all generations.

## LET IT BE

When I find myself in times of trouble  
Mother Mary comes to me  
Speaking words of wisdom, let it be  
And in my hour of darkness  
She is standing right in front of me  
Speaking words of wisdom, let it be

Let it be, let it be  
Let it be, let it be  
Whisper words of wisdom, let it be

And when the broken-hearted people  
Living in the world agree  
There will be an answer, let it be  
For though they may be parted  
There is still a chance that they will see  
There will be an answer, let it be

And when the night is cloudy  
There is still a light that shines on me  
Shine on until tomorrow, let it be  
I wake up to the sound of music,  
Mother Mary comes to me  
Speaking words of wisdom, let it be

Let it be, let it be  
Let it be, yeah, let it be  
Oh, there will be an answer, let it be  
Let it be, let it be  
Let it be, yeah, let it be  
Whisper words of wisdom, let it be
